

Sheriff's Honor Signs

The Los Angeles County Sheriff's Department serves an area totaling 4,084 square miles consisting of 126 unincorporated areas and over 40 contract cities. Every day, over 10,000 sworn officers protect and serve the residents of the County and unfortunately, 125 have paid the ultimate sacrifice in the line of duty. Approximately 30 to 35 of the 125 died in the county unincorporated areas. In an effort to honor the memory of those 30 to 35 Sheriff's Deputies who lost their lives serving the county's unincorporated communities, the County should support the installation of specifically designed street signs on existing posts at or near the locations where these officers lost their lives.

I, THEREFORE, MOVE that the Board of Supervisors direct the Chief Executive Officer to work with the Sheriff, in consultation with the Association of Los Angeles Deputy Sheriffs, and report back to the Board in two weeks with funding options for the costs associated with the installation of Sheriff's Honor signs in the county unincorporated areas.
